Empathy Map

Persona: **Priya, 27, young professional furnishing her first rented flat (primary user of PocketSmart AI)**

SAYS	THINKS
- "I have only a fixed amount for the whole flat." - "Is this fan really worth that price?" - "Can someone just tell me how to split my money?"	- "If I overspend on the sofa, I will have nothing left for lighting." - "There are too many tabs open; I will miss a better deal." - "Will this match my style and the room?"

PERSONA: Priya ***(Budget-conscious first-time buyer, planning a home, a party and festive jewelry in the same year)***

DOES	FEELS
- Opens Amazon, Flipkart and IKEA in separate tabs - Keeps a notes-app list with running totals - Asks friends and family for suggestions - Abandons carts when the total looks too high	- Anxious about overspending - Overwhelmed by choice - Frustrated by repeating the same search on every site - Confident and relieved when a plan clearly fits the budget
